

COMPANY MANAGEMENT

HOUSE RULES

Dear guests, by entering this complex you agree to abide by these house rules. VALALTA-NATURIST is a tourist complex intended for families.

NATURISM

1. The tourist complex Valalta is intended only for naturists
- a) Swimming, sunbathing and staying on the beach/pools in clothes is prohibited.
- b) A beach area where clothes are tolerated is marked and may be used by minors.
- c) On their camping plot, guests are free to decide on their clothing. The reception, shops and other specially marked indoor facilities may not be entered without clothes. In other joint facilities, a use of a towel is recommended for hygienic purposes.
- d) Single persons are allowed into the complex only if they are members of INF.

PUBLIC PEACE AND ORDER

2. Daily quiet periods are from 13:00-15:00, and from 00:00-07:00. Valalta reserves the right to shorten the night-time quiet period for special events. In order to ensure peace and quiet we ask guests to use motorbikes and other vehicles as little as possible. Traffic rules need to be observed in the complex. The highest allowed speed for all vehicles is 20km/h.
3. Minors (under the age of 18) may be accommodated only in the company of their parents, guardians or legally authorised persons who will take responsibility for their behaviour and who must ensure that their activities are in no way detrimental to the rest, peace and security of other guests. Children must be accompanied by an adult when using sanitary facilities and must be supervised when bathing in the sea.
4. The management reserves the right to terminate the stay of any guest in the complex whose behaviour disturbs the peace and harmony of other guests and who does not comply with the house rules. All those persons who disturb peace and order in the complex under the influence of alcohol will be removed from it. This particularly applies to minors under the influence of alcohol who, in the event of disturbing the peace and order of the complex, will be removed together with their responsible adult (parent, guardian or legally authorised person).
5. Within the whole complex it is allowed to use only electric motor vehicles and all cars and motorbikes which serve as the only means of transport with which the guest arrived to the complex.

MONEY AND VALUABLES

6. The management cannot be held responsible for any damage or injuries caused to persons or items, such as theft, breakage, force majeure, emotional anguish or other causes that are not the result of negligence on the part of Valalta's employees. We ask guests to look after their property and take all measures to safeguard it. For a fee, a safe-box is available at the reception for safekeeping of money and other valuables.
7. We ask guests to leave other people's lost property in the reception. Forgotten items are kept at the complex's reception. Valalta has no obligation to forward such items to guests' home address.

POST

8. Guests can collect information and post from the reception.

VISITS TO FRIENDS

9. Visits to friends in the complex are allowed only on foot. Visitors must leave a valid personal document which will be returned to them upon leaving the complex. An entry fee will be charged for a stay longer than 2 hours.

CHECK-IN AND CHECK-OUT**CAMP**

10. Upon arrival to the camp, guests must supply valid ID cards or passports for each individual at the reception barrier for the purposes of registration. They will be given a numbered registration paper and a vehicle pass which allows entry and exit from the complex and which must be presented on request by any authorised Valalta employee. Please check the accuracy of the registration paper, number of persons registered and the licence plate number on the vehicle pass.
11. Guests may choose any free camp unit. Camping equipment should be set up within the unit, which is numbered and marked. One unit may not contain more than one car, a caravan/tent and a children's tent not bigger than 2m². Each unit has a power outlet marked with the same number. A map of power outlets and their corresponding numbers can be found on the back of the map of the complex. Power outlets on units are to be used only for low-capacity appliances. The responsibility for the power connection and correct functioning of appliances in the caravan and cables shall be borne by the guest. The unit number must be entered in the registration paper as soon as possible, not longer than 6 hours after entry in the complex, reported at the barrier reception. A subsequent move to another unit may be made with notification of the reception and presentation of the registration paper.

BUNGALOWS, APARTMENTS AND MOBILE HOMES

12. Guests with a reservation for accommodation (bungalows, apartments, mobile homes) must adhere to the period of reservation. The accommodation shall be available from 13:00. The reception cannot guarantee, but will do all it can to fulfil the wishes of all guests with regards to choosing the accommodation unit number. In the event of late arrival or premature departure, the guest shall pay for the entire reserved period. Guests wishing to extend their stay must confirm this at the reception. Guests must use only the parking number allotted to them. Upon arrival we request that guests compare the inventory of the accommodation unit against the inventory list and report any shortcomings to the reception the same day. The authorised employees of Valalta monitors inventory continually and will inform the reception of any irregularities. Any damage or loss of inventory is charged according to the price list, payable before departure. Repair and replacement may be carried out only by authorised Valalta employees.

THE MARINA

13. All motor or sail boats must be registered in the marina and at the reception (camp guests - at the barrier reception, guests staying in residential accommodation at the main reception, persons coming by sea - upon arrival, directly at the marina reception). In order to register, please supply the boat documents and your valid ID card or passport. For access to power and water, please contact the appropriate authorised employee at the marina. The Valalta Marina is for guests who are naturists. Persons who are not naturists may only stay in the marina overnight or in the event of bad weather.

14. In peak season, bills can be settled from 08:00-14:00 and 15:00-21:00. Working hours out-of-season are displayed on the door of the main reception. In order to avoid waiting when paying your bill, we recommend that you settle up the day before departure. Please bring the registration paper with you when you come to settle your bill. You may pay for your stay in cash, with a Maestro card and with Visa or MasterCard credit cards. Between the day of payment and day of departure please present your paid bill on entry and exit from the complex. Guests booking through agencies must have their services bill made up before departure.

15. TIME OF DEPARTURE:

- a) Bungalows, apartments, mobile homes must be vacated by 10:00, and vehicles are to leave the complex. Keys must be returned at the reception. Failure to do so will incur fees for an additional night's stay.
- b) Camping plots must be vacated by 13:00 and the vehicle is to leave the complex. Failure to do so will incur fees for an additional day.
